threatened ominously for a time. In  
Paris Mr. McGrew devoted much time  
to the study of architecture, which has  
long attracted his taste.—Examiner.

Quite a gay affair to be held on  
Wednesday evening, June 14th, is tak-  
ing shape in the hands of some of the  
smart set and one which promises to  
be good. It will take the form of an  
evening at a "Cafe Chantant." The  
full program has not yet been drawn,  
but private theatricals, living pictures,  
fancy dancing and music will figure  
conspicuously. So many artists have  
promised their assistance that its suc-  
cess would seem to be assured. The  
"Cafe" will be deliciously in evidence.  
The full program will appear later.

Mr. and Mrs. A. S. Wilcox and two  
daughters are staying at the Hawaiian  
Hotel for several weeks.

Mr. and Mrs. Chas. Gay are so-  
journing at the Hawaiian Hotel.

Mrs. E. D. Tenney gave a large dinner  
Saturday night in honor of the  
Countess Alessandro.

Yesterday evening his friends of the  
Pacific Club gave a stag dinner to Dr.  
H. V. Murray, having reference to his  
intended desertion of the celibate  
ranks tomorrow. The guest of honor,  
it may be stated, is chairman of the  
club's house committee. Following is  
a list of the members of the club who  
held the festive concourse: A. S. Clegh-  
orn, H. V. Murray, Godfrey Brown,  
R. Ivers, Prince Kawanakoa, J. M.  
Monsarrat, F. Muhendorf, L. E. Pink-  
ham, R. W. Breckons, R. H. Cham-  
berlain, C. A. Brown, H. Focke, A.  
Garvie, F. E. Richardson, W. L. Stan-  
ley, L. M. Vettesen, A. A. Wilder, J.  
W. Waldron, H. Schultze, Dr. W. H.  
Mays, Sam Parker, A. Berg, D. W.  
Anderson, J. L. Cockburn, J. O. Carter,  
Jr., Dr. C. B. Cooper, J. M. Dowsett,  
W. Wolters, G. P. Wilder, F. Halstead,  
Dr. Yost, U. S. A., E. A. Knudsen, Dr.  
F. H. Humphris.

Olive Branch Rebekahs gave an en-  
joyable shirt waist dance at Progress  
Hall last evening. The affair was as  
successful as all Rebekah dances are,  
and the innovation of giving the gentle-  
men the privilege of appearing in neg-  
ligee was appreciated. Some of the  
shirt waists worn by the gentlemen  
were dreams of the dressmaker's art.  
Miss Mabel Burns was floor manager,  
and her assistants were Mrs. Margaret  
Simonton, Mrs. Hazel Crane, Mrs.  
Laura Vickers, Miss Alexandra Gertz,  
Miss Agnes Dunne.

WASPS HIT THE SLIDE;  
ELKS TAKE FOUR STRAIGHT

The article of ball that was dished  
up to the fans yesterday was certainly  
the variety that bears the red label.  
That game between the Elks and Reds  
was all that the sports claimed it was  
going to be. There was no time in  
this game that the Elks had a lead  
pipe cinch and it took them the full  
nine rounds to do the trick. Well, this  
great game has come and gone and the  
cranks will give it a place in baseball  
history that will never be forgotten.  
In 1903 these two teams met for a fierce  
struggle and in this game honors went  
to the H. A. C.'s. Yesterday's event  
was just as thrilling and will be re-  
membered just as long. By annexing  
this game the Elks have a tight grip  
on the first series and it will take some  
gilt-edge playing to overtake them.

The Reds died game yesterday and  
did all in their power to check the  
upward stride of the Richardson herd  
of Elks. Hamp's mighty right wing  
did the trick again and he kept the  
Champ's hits well apart. Things got  
so warm for iron man Barney that he  
shed his shoes early in the game.

The Elks were there with the ka-  
huna in the shape of a purple hen se-  
lected from "Dooney" Hartman's  
chicken ranch. "Dooney" declares that  
he heard this hen crow and put it down  
in the dope book that it was all up  
with the Reds.

Manager Joe was again forced to sit  
through nine spasms of agony and see  
his high-priced youngsters get the  
short end. That good luck has flown  
and Bill Prestige will soon be cabling  
to 'Frisco for a new bunch if this  
keeps pace on. The Kams played like  
a lot of Texas Leaguers. Just think,  
they are now playing a hit and run  
game, using the bunt and signal work  
to good advantage. There was a time  
when a man who would bunt in this  
team was disgraced. They all learn in  
time and now here comes the valuable  
point of team-hitting. This will get  
more men over the plate for the Kams  
than any hard slugging could do.

Reuter delivered the goods again yes-  
terday and many an aspiring Wasp  
saw that speedy ball shoot over the  
plate for the fatal call of three. In all  
Reuter struck out about thirteen men  
and several times Jones dropped the  
third one while the runner was retired  
at first. Freitas pitched a fair game, but  
lacked support by his fielders, who  
made some costly errors.

The games yesterday put the Elks in  
a good lead, with the Kams and Mailles  
tied for second and the H. A. C.'s and  
Punahou tied for last place.

**KAMS 7 MAILLES 2.**  
Kams take the field. En Gee, the  
first man up, met the first one square  
on the nose for a pretty single. The  
next man was Miller and he smote a  
beaut. Things looked bright for the  
youths but only for a second. Reuter  
struck his gait and two Wasps  
punctured the atmosphere, while En  
Gee and Miller died on the sawdust.

In their half of the first the Kams  
executed a neat little stunt. This is  
the way it happened. Desha hit a  
peach over second and stopped at first;  
Pahu was there with a bunt down the  
third base line and Desha made tracks  
for back number three. Pimental woke  
up when too late and fired a high one  
over. Captain Wright's head. Desha  
scored. Mailles flew out on dingles in  
the second. Kekuewa was hit hard on  
the head by a pitched ball, forcing  
Lemon to take his place on the base  
line. Wright made a pretty catch  
about this period and retired the Kams.  
It was in the fourth that the Wasps  
tied the score and their hearts beat for  
joy for right there they knew they had  
a chance. It was Bruns who crossed

the plate on Macfarlane's bunt, first  
baseman Kekuewa failing to field the  
ball to the plate. Macfarlane was  
here retired from the game by falling  
and hurting his arm. En Gee went to  
short, Almos to left and Miller to sec-  
ond.

Nothing of interest happened in the  
Maille's half of the fifth excepting the  
neat double executed by Desha, Shel-  
don and Kekuewa.

In their half of the fifth the Kams  
worked Jones and Hamakua  
around the path. They both scored on  
Lemon's timely hit over third.

The sixth was a knock-out punch for  
the Wasps. The Kams lit on Freitas  
hard and when the fog lifted the figure  
three was posted on the score board.  
Reuter now got his second wind and he  
began to mow down the green jads like  
hay. It was not until the seventh that  
Pimental scored on a balk.

The Kams scored again in the eighth  
after Lemon got first on En Gee's er-  
ror. This put an end to things and the  
Kams left the field easy winners.

ELKS 5 H. A. C. 2.

The Reds received a solar plexus

punch in the ninth that put them

down and out, the Elks taking their

fourth consecutive victory.

Wilder started things turning in the

ninth when he lined one to right lawn.

Kia hit through short and third and

Harry perched on second. Grady was

there with the strong arm and punched

a dandy out of reach. Wilder

scrambled home amid the booting of a

wild crowd. Kia followed on Moore's

bunt and when Gleason stumbled on

the first Grady reached the plate.

The H. A. C.'s put up a desperate fight

but they were outplayed. The Elks

landed on Joy hard and all but Evers

gave Hampton good support in the

field. The Elks outplayed the Reds

in all departments of the game.

The H. A. C.'s scored one of their

runs in the sixth and tied the score in

the eighth. After J. Williams had hit

## Tennis.

Mrs. S. G. Wilder and Clarence  
Cooke yesterday defeated Miss Bertha  
Young and Will Roth on the Pacific  
Tennis courts in the last of the mixed  
doubles tournament. This particular  
match was begun on Friday, each side  
taking two sets and in the fifth set,  
when both sides had three games to  
their credit, the game was called on  
account of darkness. The remainder  
of the set was played at 2 p. m. yes-  
terday. Mrs. Wilder and Mr. Cooke  
won two games straight and then Miss  
Young and Mr. Roth took a game. In  
an exciting game with the score run-  
ning along fairly even, Mrs. Wilder  
and Mr. Cooke settled down to a  
wonderfully steady game and won out.  
The ladies singles tournament is to  
begin on Monday.

## Golf.

The golf tournament for the Haleiwa  
cup will be played off on the Haleiwa  
links today. Many of the best golfers  
in the country have entered and some  
sharp play is expected.  
The hotel is planning for the largest  
time in the history of the place for the  
10th, 11th, and 12th of June. The  
yachts are all going to cruise to the  
popular resort on the 11th and stay  
over until the 12th. There will be a  
special golf tournament on the 11th and  
three handsome prizes will be offered.  
On the night of the 10th a ball will be  
given.  
The Limited will run on both Sunday  
and Monday on schedule time to carry  
the many people who will go down.

COMPARE  
THE PRICE!

A Good Horse and Buggy  
or a Gale Automobile?

The GALE eight-horse power Runabout costs \$650, and you  
can't get a good horse and buggy for less.

Then you must take into consideration the unrivaled pleasure to  
be derived from motoring.

A horse and buggy are good for, say, fifteen miles a day, where-  
as a GALE will travel ten times that distance without noticing it.

The GALE is the first low-priced automobile to be introduced  
in Honolulu. It has been designed to fill a long-felt want. To put  
it briefly,

The Gale is a Good Car  
at a Low Price.

It is an A-I machine, built on honor, and is given to the public  
only after a long series of exhaustive experiments, covering a period  
of more than two years.

The car was designed to simplify many complicated parts that  
some of the higher-priced cars have and to make all parts as accessi-  
ble as possible. Owing to its simplicity, anyone can learn to operate  
this car successfully at the first trial.

It seats three persons comfortably. Some makers turn out so-  
called low-priced machines which seat one with difficulty.

We guarantee this machine for a year, and will make good any  
defects of workmanship or material brought to our notice during  
that period, free of charge.
